

# HOMeward Bound

THE GIVING IT BACK AND PAYING IT FORWARD REAL ESTATE NEWSLETTER | JULY 2021

Audrey Clark

*Happy Freedom month!*  
AS YOU KNOW JULY IS THE MONTH TO CELEBRATE FREEDOM.

We assume the rights of freedom and debate its boundaries in politics, yet how often do we take time to reflect on what freedom means to us personally?

Freedom is not a concept carved from stone; it is malleable and personal, always shifting shape depending on where you find yourself standing and the angle of the slanting light.

My personal definition of freedom is the ability to act based on my convictions without external restriction or retribution. It is the ability to represent myself as I see myself to be, not having to hide or disguise who I am in order to pursue happiness, fulfillment, and growth. It is the power of free self-expression. Personal freedom is one of my top three values.

Of course, there are boundaries to freedom. My actions should not hurt others or restrict their personal freedoms, and so this is the dance of conscience. Will what I want conflict with what others want or need? If so, how can I have the personal autonomy I need while respecting the freedom of those around me?

I believe there is always a path for mutual free expression, when we respect one another. Today, as we prepare to celebrate Freedom Month, I offer the following quotes as food for thought and as writing prompts: *(see inside for details)*

"We must be free not because we claim freedom, but because we practice it." — William Faulkner

"If we don't believe in freedom of expression for people we despise, we don't believe in it at all." — Noam Chomsky

And I leave you with these questions: Which, if any, of these quotes resonate with you? What do you believe about freedom and how do you describe or define it for yourself?

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

Beautiful famous words. Those words really come to life for us when you consider the idea of owning real estate, especially your own home.

My guaranteed sale program is a solution to 'wrongs' in real estate for homeowners experiencing the Catch 22. In fact, this is how successful businesses are built. Identify something that is a problem for people and solve it.

In today's market, many homeowners really want to make a move, but are finding themselves in a Catch 22 – whether to sell first or buy first. They don't want to end up getting stuck owning two homes or none at all.

My solution to this dilemma is this guarantee: **"Your Home Sold Guaranteed at a Price Agreeable to You or I'll Buy It\*\*"** My own revolution, so to speak, that deals with the age-old indictment of whether to buy first or sell first.

My guaranteed sale program is a solution to 'wrongs' in real estate for homeowners experiencing the Catch 22. In fact, this is how successful businesses are built. Identify something that is a problem for people and solve it.

## Why I Give to Must Ministries:

There are many in our community who, for reasons beyond what we can fully understand, are experiencing real hardships. Circumstances like tragedy, loss, victim, homeless, disabled, abused, hungry, gravely ill and unemployed. People with one or a combination of these hardships do exist and exist in numbers that would shock most.

Thank God for the great people at MUST Ministries. For almost 50 years MUST Ministries has been leading the way in helping those in our community that need help the most. Literally, restoring HOPE to those who are living with hopelessness. Whether providing Food for the struggling and hungry through its many food pantries, or providing temporary housing for the displaced or the

abused or the homeless, to the jobs programs for struggling neighbors trying to get back on their feet, to the Clothing, the Summer Lunch Programs, the Toy Shop and their Market Place for poverty-stricken neighbors, Must leads the way in restoring lives one person and one community at a time.

I encourage you to visit their website at [www.MUSTMinistries.org](http://www.MUSTMinistries.org) and check out the better than good work they are doing in our community!
